

Dear Parent

Greetings from GIIS, Uppal!

Effective communication, safety and security of the children are the most prioritized areas for GIIS management. Towards this cause the school is working tirelessly to fix up the same to provide better service and attend to **parent concerns**. We urge parents to take note of the points listed below with reference to transport and comply accordingly.

1. School transport is just an option extended by the school for pick and drop of students. However the service is not mandatory.
2. **Door to door pick/drop is neither offered nor assured.** In case a child, misses the school bus from the designated stop the parent shall drop the child directly at the school campus.
3. Parents are suggested to use various other modes of **pooled transport** for **door pick-up** and **door-drop**.
4. Parent should reach the allocated bus stop **5 minutes prior** to the time indicated in the route list.
5. To encourage a transparent transaction, **do not bribe either in cash/kind** the aayahs, drivers, bus attenders, security guards or any employee of the school for seeking personal favour as this is strictly condemned and unpardonable .
6. We sincerely expect the parents to cooperate by setting a **right example** to your ward by adhering to the school rules and regulations.
7. The **services for your ward will be stopped** without any notice if you are found not complying as per **Point 5**
8. **School takes care of its employees well** and pays them sufficiently. Kindly cooperate.

Note: If anyone insists for tips do write to: admissionsofficer@arca.co.in , or call: 9866866652. The details will be kept confidential and strict action will be taken.

Ms .N. Aruna Rao
Principal
